PROFILE

Software engineer with a proven ability to adapt in both self-starting and collaborative environments while staying focused on achieving high- quality results under strict deadlines. Eager to obtain a challenging position at a prestigious company that will expand my learning and build upon my developer skills.

WORK EXPERIENCE

Frontend Developer   10/2022 – present

WebSenor Pvt. Ltd.

- Expanded features, refined code, and optimized processes to achieve smoother operations and enhance user engagement.
- Developed single-page applications with a focus on responsive web design and UI, leveraging HTML5 grid layouts and CSS3 media queries for dynamic responsiveness.
- Designed the frontend using the React JS JavaScript library, ensuring a modern and interactive user experience.
- Constructed a desktop application using Electron JS, React JS, and SQLite, combining the power of React with Electron's cross-platform capabilities and utilizing SQLite for efficient data management.
- Addressed and resolved bugs in existing websites, implementing enhancements that markedly improved web functionality and speed.

Frontend Developer - Intern   05/2022 – 09/2022

WebSenor Pvt. Ltd.

- Acquired proficiency in languages such as HTML, CSS, JavaScript, PHP, and MySQL. Mastered React JS as a new addition to my skill set.
- Developed independent projects including a 'GYM & Fitness Website,' 'Flipkart Clone,' and a personal 'Portfolio.'
- Constructed the 'GYM & Fitness Website' using HTML, CSS, JavaScript, PHP, MySQL, and Bootstrap.
- Implemented the 'Flipkart Clone' and 'Portfolio' using React JS.

Frontend Developer - Intern

Shivanta Technologies Pvt. Ltd.   03/2020 - 06/2020

- Acquired proficiency in languages such as HTML, CSS, JavaScript, PHP, and MySQL.
- Successfully developed an independent project - an online shopping website.
- Constructed the "online shopping website" using HTML, CSS, JavaScript, PHP, MySQL, and Bootstrap.
